

MD 355 (Rockville Pike)

Safety and Resurfacing Project

From North of Cedar Croft Drive to MD 547 (Strathmore Avenue) in Rockville

CONSTRUCTION IS UNDERWAY

This month, the Maryland State Highway Administration (SHA) will begin a \$2.3 million dollar safety and resurfacing project on MD 355 (Rockville Pike) from north of Cedar Croft Drive to MD 547 (Strathmore Avenue) in Rockville. Weather permitting, the project should be complete by late spring 2013.

SHA will remove the top layer of pavement and resurface all lanes of existing roadway, clean existing inlets, upgrade existing sidewalk ramps and driveways for Americans With Disabilities Act (ADA) compliance, replace damaged curb and gutter, sidewalk and guardrail and install new pavement markings.

Pedestrian access will be maintained at all times during construction. Work crews will use construction barrels, cones, arrow boards and flaggers to direct pedestrians and motorists throughout the 3.3-mile work zone.

TEMPORARY LANE CLOSURES

SHA will close a lane or roadway shoulder on MD 355 as follows:

- **Northbound and Southbound: Monday through Friday between 10:00 a.m. and 3 p.m.**
- **Northbound and Southbound: Monday through Thursday between 10 p.m. and 5:00 a.m.**

As crews work to keep work zones safe, each driver needs to actively modify his or her driving style to help prevent crashes. Stay alert – look for reduced speed limits, narrow driving lanes and highway workers. Slow down and don't follow too closely. *Safer Driving. Safer Work Zones. For Everyone.*
